FEATURE CLASSROOM OF THE WEEK

Teacher: Mrs. Klauka

Area: 3rd grade

What is your favorite thing about teaching at Elliott? My

favorite thing about teaching at Elliott is the family atmosphere. I love being here each day because we support each other. Whether it is my Elliott teaching family, my classroom parents, or the students, I feel we all have a connection and it is a great place to be. There is nowhere else I'd rather teach.

When you are not at Elliott, what do you like to do on the weekends? I love to be with my family and friends. I enjoy the sun and sitting on the deck with a good book or being at the lake. I love watching our bird feeders and taking long walks with my friends. I also enjoy shopping and visiting my parents in Indiana.

What is your favorite thing about teaching 3rd grade? The favorite thing about third grade is the beautiful pictures I receive and that third graders can talk to me about such fun things. It is fun doing literacy groups and having great conversations. I love third grade humor and enthusiasm. This always make learning fun.

Next Wednesday, May 24th is our last early release for the year.

Calling All Bikers!

We now have a bike rack for our fourth grade students who choose to ride their bikes to school. It is located in front of the building outside the office. This bike rack was purchased by our PTO so we are very grateful for the purchase. If we have many students that choose to use it, we will purchase another. Thank you PTO!
