### FEATURE CLASSROOM OF THE WEEK

**Teacher:** Mrs. Buege

**Area:** 2<sup>nd</sup> grade

**What is your favorite thing about teaching at Elliott?**

Growing up I always knew that I would be a teacher- I even lined up my stuffed animals for lessons. What I didn't know was that I would end up working with people that would become my best friends.

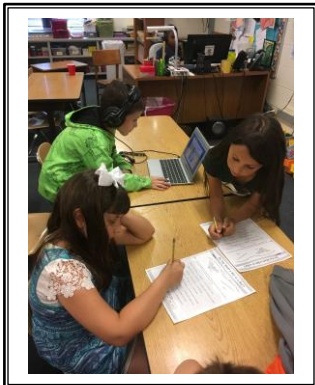

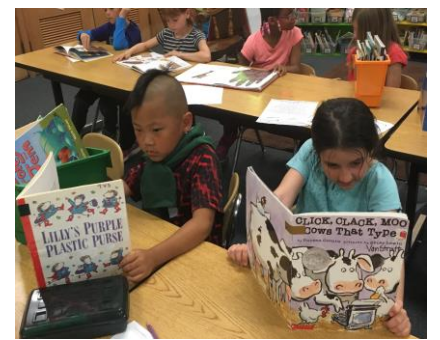

**When you are not at Elliott, what do you like to do on the weekends?**

I have a daughter that will be 2 soon, so she keeps me busy! Mr. Buege, Daphne, and I love to go out to breakfast and then go shopping at Horrocks. We also love to go visit family because they live just down the street from us.

**What is your favorite thing about teaching 2nd grade?**

2<sup>nd</sup> graders are so much fun! They've already been in school for two years so they know how it works, but they still like to be goofy and laugh with me.

Photo booth pictures from Spring Fling were emailed out from Mrs. Davis.
