## FEATURE CLASSROOM OF THE WEEK

**Teacher:** Mrs. Essell

**Area:** Kindergarten

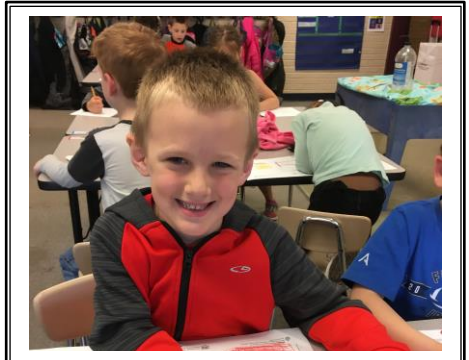

**What is your favorite thing about teaching at Elliott?** I have taught at Elliott for 13 years. I love the families and the teachers. Elliott is a special place because of the sense of community you feel the moment you walk in our doors.

**When you are not at Elliott, what do you like to do on the weekends?** I love spending time with my husband and our three children. My kids have basketball and soccer games every weekend so we can usually be found on a court or a field. I also like going for long runs outside or a quick run on my treadmill.

**What is your favorite thing about teaching Kindergarten?** I love that kindergartners are excited about learning and school. Everything is so new and exciting for them. I am happy to be their first teacher in their elementary career.

**Thank a Teacher!**

**Teacher Appreciation Day  
is May 9th.**
