FEATURE CLASSROOM OF THE WEEK

Teacher: Mrs. Davis

Area: 4th Grade

What is your favorite thing about teaching at Elliott? The staff and students alike. I feel like I am part of a huge family who support and challenge me at the same time. I have made many lifelong friends.

When you are not at Elliott, what do you like to do on the weekends? My husband and I like to sleep in on weekends. We enjoy going for walks, riding our ATV, drinking coffee on the deck, visiting friends and family and planning our next big adventure.

What is your favorite thing about teaching 4th grade? My students! We really enjoy laughing together and working on individual and classroom goals. There is nothing better than the “aha” on a student’s face when they understand something for the first time.

We have a few copies left of the Elliott yearbook for sale in the office for \$10.

Student Interview

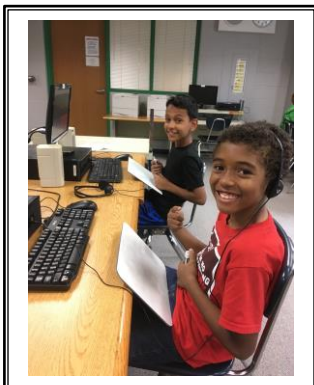

Name – Cassidy Henson

What is Your Favorite Thing About 4th grade?

Having lots of friends.

Jayla Dentmond

“POSITIVE BEHAVIOR WALL OF FAME”

Addison Flannery
Carter Tran
Meagan Morden
Peyton Drake

Positive Behavior Celebration!

We had our positive behavior celebration last Friday and the students got to eat their lunch outside, listen to music while they ate, and dance when they were done. The PTO supplied popsicles for our students to enjoy. Everyone got an extra ten minutes of recess to enjoy the beautiful day.

Name – Naveah Campbell

What Is Your Favorite Thing About Mrs. Davis? She’s funny because she does crazy things.

What Is Your Favorite Thing About 4th grade? We can be LINKS and help other people.

Coin Drive

Elliott Elementary held a Coin Drive this week to raise money to clean up our courtyard and to make it more student-friendly for next year. Thank you for your contributions.
